

Majestic Miss Scholarship Pageant

Dear Contestant,

Welcome to the exciting world of beauty pageants. We have created a pageant system that is both unique and rewarding. After years of experience involved in other pageant systems, we have considered the areas that could be improved, so that this could be an enjoyable experience, whether you win or not. We have also added a category that encourages Academic Achievement, which is the first to my knowledge.

You are privileged to be able to participate in the first of many more exciting weekends. The Majestic Miss DFW-North Pageant is set for Saturday, January 12, 2008. The location is Neotropolis Center, 1130 W. Trinity Mills Rd., Carrollton, Texas 75006 from approximately 10:00am-8:00pm. To allow for a "not so long day" on Saturday, we are holding an "Opening Number" rehearsal the night before, and requiring that everyone submit their academic entry that night also. The judges will also be present and will begin judging photographs and academic entries that night. This will also allow the contestants to meet each other, and get a feel for what the next day will hold.

Please take a look at the following areas, that we feel make this a special pageant:

- **Academic Category!** This category should be fairly easy, because each contestant has created throughout their years in school several accomplishments just waiting to be shared. They can submit anything from this current school year or the previous one. How Fun!
- **Several Cash Scholarships!**
- **Several prize opportunities within each age category.**
- **5 Age categories that allow young and older, beginners and experienced a great opportunity.**
- **Information meeting scheduled for Sunday, December 9, 2007 at the Coppell Family YMCA from 4:00pm-6:00pm.** You can also use this as an opportunity to submit your final documents and see the pageant t-shirt. This meeting will also allow parents and contestants to ask any final questions regarding the flow of the pageant. I will also have a tentative Pageant Itinerary available at that meeting.
- **Pageant Prep Seminars for those that have never been in a beauty pageant. Dates TBD.**
- **Creative opportunity to pay entry fee, by allowing contestants to solicit advertising funds and submit by deadline date. Everyone should be able to afford or participate!**

We are looking forward to a GREAT start, right here in DFW-North Texas and GOOD LUCK to all!

Sincerely,

Angela Jackson
